MANAGER COMMENTS

The merger vote was overwhelmingly in favor of approval. While we will be considered a division of Horizon FCU until October 2021, things will not noticeably change for you until that time. The staff will remain in place, with another employee added soon. The products and services you now enjoy will be the same; we expect to offer Horizon's first mortgage programs – they are very competitive! We are excited to move forward; this will be a good change.
